About MercadoLibre

MercadoLibre hosts the largest online commerce and payments ecosystem in Latin America. Our efforts are centered on enabling e-commerce and digital and mobile payments on behalf of its customers by delivering a suite of technology solutions across the complete value chain of commerce. The company is present in 18 countries including: Argentina, Brazil, Mexico, Colombia, Chile, Venezuela and Peru. Based on unique visitors and page views we are market leaders in each of the major countries where we are present.

Through its online commerce platform and related services, MercadoLibre provides its users with robust online commerce and payments tools that not only contribute to the development of a large and growing e-commerce community in Latin America (a region with a population of over 605 million people and one of the fastest-growing Internet penetration rates in the world), but also foster entrepreneurship and social mobility. Its main focus is to deliver compelling technological and commercial solutions that address the distinctive cultural and geographic challenges of operating an online commerce and payments platform in Latin America.
